Entries are invited for

The Formula Snelling Cup

A fibrous plastering and heritage plastering training award for:

- Independent training providers
- Colleges with independent work-based assessment units
- Colleges providing in-house training

This category of the Plasterers' Training Awards is sponsored by Saint-Gobain Formula, a global leader in the supply of specialist gypsum plasters used in traditional fibrous and heritage plastering.

The Formula Snelling Cup for fibrous plastering and heritage plastering has been established to:

- promote the training of drylining skills enabling people of all ages to become fully qualified
- encourage independent training providers and colleges to build and maintain high standards in drylining
- recognise achievement in producing practical drylining craftsmen whose all-round ability will increase employability in their chosen field
- ensure the continuity of traditional skills across the generations in the national interest.

The Formula Snelling Cup will be awarded to the training establishment which, in the view of the Judging Panel, has demonstrated the best conversion of registration to qualifications in NVQ/SVQ level 3 and Diploma level 3 during the period **1st January to 31st December 2017**.

The Formula Snelling Cup will be presented at the Plasterers' Company Training Awards Ceremony to be held at a special luncheon in Plasterers' Hall on Tuesday 20th November 2018. The Winner of the Formula Snelling Cup will also receive a cheque for £750.
